COVER MESSAGE:

Dear Examiner Williams,

We realize now that the attached response did not reach you due to a mistaken serial number in a couple of the transmittal papers, for which we apologize. I hope you'll be able to retrieve the missing papers and associate them with U.S. Serial No. 10/619,834, the file for which they were intended. We note that the Election included the correct serial number and the associated documents all include identical identification (except for the serial number error) and that the PTO policy is to accept the submission if it is reasonably possible to associate the submission with the correct file. Since the response itself included correct identification, we believe that it should be accepted. Please let us know if you need anything further.

Lauren Williams
Secretary to Michael H. Baniak (Reg. No. 30,608)
